# Highlights

## Dishwasher-safe

All removable parts can be cleaned in the dishwasher.

## Quick and easy assembly

Quick and easy assembly of all parts

## All pulp in one place

The pulp will all be collected in the only place where it should be: in the pulp container of your Philips juicer. That means there is no need to remove pulp from other parts such as the lid anymore. Due to the round design and smooth surfaces without nooks and crannies, the pulp is easy to reach and the container is much easier to clean.

## Smooth surfaces and easy-clean

Smooth surfaces and easy-clean materials

## See-through pulp container

Enjoy a true interactive juicing experience. The lid and the pulp container are transparent so you can see your fruits and vegetables being juiced. You also directly see when the container is full which means it is time to empty it.

## Make 2 L of juice in one go

Thanks to the innovative juice extraction system with QUICKClean technology, this juicer extracts up to 2 liters of juice in one go without the need to empty the pulp container.

## XL feeding tube

The 75 mm extra large feeding tube allows you to juice even large fruits and vegetables like apples, carrots and beetroots without pre-cutting.

## 700 W motor

# 700W

Strong 700 W motor for blending, mixing and crushing effectively.

## QuickClean technology

A lot of pulp fibers usually get stucked in the sieve which makes it very difficult to clean. Thanks to the electropolished process, all surfaces of the sieve are smooth. This helps you swip away the fibers with a standard kitchen tool (sponge or brush).

# Specifications

## Design specifications

- Color(s): Aluminium
- Material housing: Aluminium
- Material jug: SAN jug and ABS cover
- Material pulp container and pusher: ABS, SAN

## General specifications

- Non-slip feet
- Safety clamps
- Integrated cord storage
- Speed setting: 1

## Technical specifications

- Power: 700 W
- Voltage: 220-240 V
- Frequency: 50/60 Hz
- Cord length: 1 m
- Pulp container: 1.2 l
- Feeding tube dia: 75 mm
- Capacity: 2 l
- Capacity juice jug: 800 ml

## Easy to clean

- Dishwasher-safe accessories
- Quickclean
